GENERAL INFORMATION

A. BACKGROUND AND GENERAL INFORMATION OF CAREERSOURCE RESEARCH COAST

The Workforce Development Board of the Treasure Coast, Inc. d/b/a CareerSource Research Coast (CSRC) is a not-for-profit corporation organized under the laws of the State of Florida, and has been determined exempt by the Internal Revenue Service under the provisions of IRS Code, Section 501(c)(3). CSRC is chartered by the State of Florida to create and manage a workforce development service delivery system responsive to the needs of businesses and jobseekers and has been certified by the Governor as a Local Workforce Development Area for the purposes of implementing programs authorized by the federal Workforce Innovation and Opportunity Act (WIOA), Temporary Assistance for Needy Families (TANF), Wagner Peyser and related enabling legislation. CSRC is the grant recipient and administrative entity for these funding sources under a Memorandum of Understanding with the local elected officials. Our principle function is the provision of, oversight of, and policy guidance to, the workforce development system in the three counties of Indian River, Martin and St. Lucie Counties.

To service these three counties of our local area, thousands of local job seekers and businesses receive employment and training services through four (4) Career Center operations located in each of the counties and one mobile service unit to service outlying areas. This includes one comprehensive Career Center located at 584 NW University Blvd., Suite 300 Port St. Lucie, FL 34986. The Career Centers are “one-stop” access points for the programs and services available through the system. Additional information about these programs and services may be found at CSRC’s website at www.careersourcerc.com.

B. BACKGROUND OF LEGISLATION FOR THE PURPOSE OF THIS RFP

The Workforce Innovation and Opportunity Act (WIOA) (Pub. L. 113-128), signed into law by President Obama on July 22, 2014, sets forth a new vision for the workforce development system to operate as a comprehensive, integrated, streamlined system that aligns with the needs of business and is a force in helping stimulate local economies. WIOA provides a vision that local workforce development boards (LWDBs) serve as strategic leaders developing partnerships and investments that support regional economies, effective approaches to service delivery and produce quality results. Therefore, under WIOA, the Career Centers are required to partner with a range of federally funded employment and training programs to promote the coordination of services on behalf of job seekers and businesses. The programs and funding streams already integrated and delivered through CSRC’s Career Centers are as follows:

- WIOA Title 1 Adult, Dislocated Worker and Youth Programs
- Wagner-Peyser Employment Services
- Local Veterans’ Employment Programs
- Disabled Veterans’ Outreach Programs
- Trade Adjustment Assistance Programs
- Unemployment Compensation Programs
- Welfare Programs
- Migrant and Seasonal Farmworker Programs

Other mandated partners are as follows:

- Family Literacy and Adult Education Act
- Vocational Rehabilitation
- Career and Technical Education
- Community Services Block Grant
- Second Chance Act
- Department of Housing and Urban Development

Inclusive in the requirements under WIOA is the necessity to competitively select a “one-stop operator” to support the implementation of services with the career center system locally. Therefore, local workforce development boards are required to define the role of a One-Stop Operator and competitively procure the entity or entities as set forth in sec. 121 (d) (2) (a) of WIOA.

C. SCOPE OF WORK/ROLE OF THE ONE STOP OPERATOR

The One-Stop Operator, in a consultant role, major function will be the coordination of the service delivery among the required One-Stop Partners (as described in Section B of this RFP) and their programs. The One-Stop Operator will be responsible to navigate between the One-Stop Partners to ensure there is coordination of service delivery for employers and job seekers within the LWDB 20 One-Stop System. The One-Stop Operator will be responsible to:

1. Learn, know and understand the One-Stop Partner’s program services and performance requirements.
2. Monitor and ensure the required One-Stop System Partners have Memorandum of Understandings (MOUs) in place, with the roles and responsibilities of each partner clearly defined, current and are being adhered to as stated.
3. Serve as an intermediary to the required One-Stop System Partners, working with the partners for continuous improvement of the One-Stop System and fostering customer service excellence.
4. Assure the local One-Stop System has at least one comprehensive One-Stop Career Center that meets the required certification criteria and is compliant with State and Federal Regulations.
5. Review relevant information provided by the state, federal government and the required One-Stop Partners to monitor the LWDB 20 One-Stop System’s compliance and performance.
6. Submit written, quarterly reports to the CareerSource Research Coast Board of Directors. The reports should include:
 - A detail of the duties performed by the One-Stop Operator during the quarter
 - Observations made regarding the collaboration between the required One-Stop System Partners
 - Recommendations to improve the One-Stop partner’s integrated service delivery to customers
 - The identification of best practices

- c. Non-conforming proposals will be considered non-responsive and are subject to return without review; however, CSRC reserves the right to waive informalities and minor irregularities in the proposals received.
- d. CSRC reserves the right to request additional information from proposers for clarification or to allow corrections of errors or omissions, if in the best interest of CSRC and its Board of Directors.
- e. All proposals are subject to negotiation by CSRC.
- f. CSRC reserves the right to retain all proposals submitted and to use any ideas in a proposal regardless of whether that proposal is selected. Submission of a proposal indicates acceptance by the entity of the conditions contained in this request for proposals unless clearly and specifically noted in the proposal submitted and confirmed in the contract between CSRC and the entity selected.
- g. All costs incurred in the preparation of a proposal responding to this RFP will be the responsibility of the Proposer and will not be reimbursed by CSRC. The Proposer must, at their own expense,

obtain all necessary permits and pay all licenses, fees, insurances and taxes required to comply with all local ordinances, state and federal laws, rules and regulations applicable to business to be carried out under the proposed contract.

4. INITIAL TECHNICAL REVIEW

All timely proposals received will be reviewed by CSRC's employees to determine if they are responsive and if the proposals are eligible for further consideration. Proposals may be judged nonresponsive and removed from further consideration if the proposal is not received timely in accordance with the terms of this RFP, does not follow the specified format; does not include the required certifications and is not adequate to form a judgment by the reviewers that the proposal meets the needs of CSRC and the intent of this RFP.

5. REVIEW BY RFP REVIEW TEAM

An RFP Review Team consisting of members of CSRC's Board of Directors and employees will be organized to review and rate proposals. This team will review proposals successfully passing the initial technical review. Proposals will be evaluated using a point system. (See Attachment _ - Rating Sheet for RFP #16-004-OSO). The Team will review and discuss their evaluations of all proposals, combine the individual scores and arrive at a composite technical score for each proposal. These scores will be used to determine the most advantageous contract award for CSRC.

6. SMALL AND/OR MINORITY-OWNED BUSINESSES

Efforts will be made by CSRC to utilize local small business, minority, veteran or women-owned businesses. A Proposer qualifies as a small business firm if it meets the definition of "Small Business" as established by the Small Business Administration (13 CFR 21.3-8) by having average annual receipts for the last three fiscal years of less than four million dollars.

7. PROPOSAL ACCEPTANCE/PROTEST

This request for proposal does not obligate CSRC to award a contract. CSRC reserves the right to accept or reject any or all proposals received. The contract, if awarded, will be for four (4) years with a one (1) year contract to be renewed annually based upon performance.

Any award resulting from this request will be based on the entity's stability and experience related to this RFP, the entity's ability to handle the tasks noted in this RFP and the entity's cost.

CSRC reserves the right to waive informalities and minor irregularities in offers received.

Before a contract is offered, the Proposer must submit the required certifications provided later in this packet. **If you are unable to provide this information, please do not submit a proposal.**

CSRC may award a contract based on initial proposals received without negotiation of such proposals. Therefore, each initial proposal should be submitted on the most favorable price and technical terms. CSRC reserves the right to request additional information, oral discussion or presentation in support of written proposals.

If an award is made, the contract will be a cost-reimbursement, as needed, contract. Services will be implemented only upon notification from CSRC. Payment for services rendered will be made only when costs have been incurred and documentation of all costs are received and verified.

All Proposers have the right to protest the award. Parties wishing to protest a contract award may submit their objections in writing within 10 days of the award date to the President/CEO of CSRC who will provide the information to CSRC's Executive Committee. This committee will investigate the complaint and issue a written finding and resolution to the protesting party within 45 days of the receipt of the complaint.

This protest procedure provides recourse to Proposers who believe that their proposal did not receive proper consideration. Proposers entering a protest should be prepared to document specific factors that put the aggrieved Proposer at a competitive disadvantage and/or document violations of specific sections of state or federal regulations, CareerSource Florida, Inc., and the procedures set forth by this RFP. CSRC reserves the right to refuse to consider an appeal that does not identify specific procedural shortcomings.

M. NEGOTIATIONS

A contract will be negotiated with the first ranked Proposer, and if negotiations are successful, that Proposer will be recommended to CSRC for award. In the event negotiations are not successful, negotiations with that Proposer will be terminated and negotiations begun with the second ranked Proposer and so forth until negotiations are successfully completed to the satisfaction of CSRC or until all acceptable proposals have been rejected.

N. NOTIFICATION OF AWARD

Upon conclusion of final negotiations with the successful Proposer, all Proposers will be notified in writing of their status. The final award decision will be made no later than May 31, 2017. Contract negotiations may commence any time following that date and are to be completed by Friday June 16, 2017 with an execution date of contract to begin July 1, 2017.

- Neither the entity submitting this sworn statement, nor any of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, nor any affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.
 - The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989.

Attached is a copy of the final order.

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IT IS FILED, OR THROUGH THE END OF THE CONTRACT FOR WHICH IT IS BEING SIGNED.
