

## Follow-Up: February Board of Directors and Council Meetings

Dear CareerSource Florida Board Members,

Thank you for your participation during last week's CareerSource Florida board and council meetings in Tallahassee.

The [board vote](#) consolidating Florida's 24 local workforce development boards into 21 boards will better serve Floridians in need of employment services, job training and upskilling. The [Florida Workforce System Transformation Plan](#) includes overall statewide system improvements and enhanced regional planning.

*Map illustrates board-approved realignment and consolidation of Florida's local workforce development boards.*

Information and materials for last month's meetings, including recordings, are available at these links: [Finance Council](#), [Strategic Policy and Performance Council](#) and the [Board of Directors](#).
