Call to Order

Leslie Kristof, Chair, called the meeting to order at 8:00 am. The Board recited the Pledge of Allegiance. A quorum was established.

Agenda Item 4 - Declarations of Conflicts of Interest (COI):

Leslie Kristof, Chair, asked if any items on the agenda had a conflict of interest. No conflicts of interest were declared.

Agenda Item 5 - Consent Agenda:

Leslie Kristof, Chair, presented the Consent Agenda and asked members if any items needed further discussion.

With no further discussion, a motion was made by Werner Bols to approve the Consent Agenda, as presented. Pamela Houghton seconded the motion. The motion was passed unanimously.

Agenda Item 6 - Review and Approve Acceptance of 2021 - IRS Form 990 Tax Return:

Brian Bauer, President/CEO, explained that the 2021-IRS Form 990 consists of a core form and supplemental schedules. Mr. Bauer asked if there were any questions regarding the IRS Form 990 Tax Return.

With no further discussion, a motion was made by Pamela Burchell to approve acceptance of the 2021 - IRS Form 990 Tax Return, as presented. Helen Castletine seconded the motion. The motion passed unanimously.

Agenda Item 7 - Review and Approve Local Targeted Occupations List (LTOL) - 4th Quarter of PY 2022-2023:

Tracey McMorris, Vice President of Operations/COO, stated that the LWDB 20 requests adding Architectural and Civil Drafters and Computer Numerically Controlled (CNC) Tool Operators to the Local Targeted Occupations List (LTOL). Both occupations are high wages and high demand in our region.

For On-The-Job Training (OJT) opportunities to be offered in these industries, the occupations must be represented on the Local Targeted Occupations List (LTOL). As a result, staff reviewed local labor market information and resources regarding the LTOL and recommends adding Architectural and Civil Drafters and Computer Numerically Controlled (CNC) Tool Operators occupations to the LTOL for the 4th Quarter of PY 2022-2023.

With no further discussion, a motion was made by Pamela Houghton to approve the Local Targeted Occupations List (LTOL) - 4th Quarter of PY 2022-2023, as presented. Maddie Williams seconded the motion. The motion passed unanimously.

collaborate. innovate. lead.

Agenda Item 8 - Review and Approve President/CEO Annual Performance Recommendation for Compensation Adjustment - 2022-2023:

Leslie Kristof, Chair, explained that the Executive Committee members rated the annual performance of Brian Bauer, President/CEO. The customary process is for an evaluation form to be e-mailed to Executive Committee members. Completed forms are to be returned to the Chairperson via e-mail. The Chairperson then tabulated the scores and presented the results to the Executive Committee for review and further discussion.

The Executive Committee met with Mr. Bauer on February 17, 2023, to present the evaluation and allow for conversation regarding the results of his performance. Ms. Kristof stated that Mr. Bauer exceeded the Executive Committee expectations with a strong performance with a total tabulation of 3.81 out of 4.

In compliance with CSRC Administrative - Employee Bonus Policy, the Executive Committee for CareerSource Research Coast approved the recommendation that Brian Bauer, President/CEO, receive as part of his annual performance evaluation for the calendar year 2022- 2023 a five percent (5%) merit salary increase and a five percent (5%) annual performance bonus.

With no further discussion, a motion was made by Pamela Houghton to approve Mr. Bauer's annual performance evaluation along with the compensation recommendation as presented. Pamela Burchell seconded the motion. The motion passed unanimously.

Agenda Item 9 - Review Primary Indicators of Performance 1st Quarter PY 2022-2023:

Brian Bauer, President/CEO, presented CSRC Primary Indicators of Performance for PY 2022-2023 1st Quarter. Mr. Bauer explained that the areas on the chart highlighted in blue reflect those performance goals exceeded (greater than 100% of negotiated). Likewise, goals highlighted in green show that performance goals were met (90-100% of negotiated), and those reflected in yellow still need to be met (less than 90% of negotiated) by CSRC.

Overall, the numbers in WIOA Adult, Youth, and Wagner-Peyser programs reflect that performance goals have been either exceeded or met. WIOA Dislocated Worker program shows that we did not meet the performance goals for the 1st quarter under the Employed 2nd Quarter After Exit category.

Mr. Bauer explained that DEO required a statewide previously closed case files constituting noncompliant or MIA clients going back to PY end 2020. Closure of these cases with no verified employment is reflected in the metrics for 1st quarter under the Employed 2nd Quarter After Exit category.

Tracey McMorris, Vice President of Operations/COO, stated that a strategic approach had been implemented to monitor and manage this metric as we advance. In addition, by expanding the definition of "unlikely to return" as was done in the Adult and Dislocated Worker (DW) Program Policy approved under Consent Agenda, CSRC will be able to enroll more DW into this pool of eligible participants. Thus, we are confident that performance in this area will improve.

Agenda Item 10 - Chair's Report:

Leslie Kristof, Chair, thanked the members of the Board who participated in the Ernst & Young virtual roundtable focus group discussions regarding reducing the number of local workforce development boards as directed under the REACH Act.

- Ms. Kristoff discussed the CareerSource Florida Board of Directors and Council meeting that she and Mr. Bauer attended on February 21-23, 2023. She stated that the CareerSource Florida meetings were highly informative, with robust discussions regarding the REACH Act, including the final alignment evaluation reported by Ernst & Young at the CSFL Board of Directors meeting on February 23, 2023.
- Larry Hawes will be stepping down as Chair of the Program & Services (P&S) Committee on June 30, 2023. Angela Williams, the current Vice Chair, has agreed to move into the Chair position. However, due to a conflict in her schedule, Ms. Williams is requesting a change in the P&S Committee meeting time. The committee will continue meeting bi-monthly on the last Wednesday of the month.

Ms. Kristof stated that a poll would be taken during the Board of Directors meeting this morning to determine if 11:00 am or 1:00 pm best fits members' schedules. Jennifer Eimann, Executive Assistant, took a poll of P & S committee members attending the meeting. Members unanimously chose 1:00 pm.

This new time will take effect on July 23, 2023, and will be reflected on the PY2023-2024 Committee/Board Schedule approved calendar sometime in June 2023.

Angela Williams suggested that lunch could be provided at the Programs & Services meetings starting July 1, 2023, with the committee members taking turns sponsoring the cost. She has graciously offered to sponsor the first two lunches.

• Ms. Kristof shared that Maddie Williams will receive the Excellence in Mentorship award at the Inaugural Treasure Coast Women Who Rock luncheon on March 28, 2023.

Maddie Williams, Treasure, stated she was extremely honored to receive this award.

Agenda Item 11 - President's Report:

Brian Bauer, President/CEO, discussed further the CareerSource Florida Board of Directors and Council meeting that he and Leslie Kristof attended on February 21-23, 2023.

• Mr. Bauer stated that the CareerSource Florida Finance Council met on February 22, 2023. At that meeting, Andrew Collins, Chief Operating & Financial Officer, announced the new members of the Finance Council and their roles. In addition, the council will meet in June to approve the new budget for the state of Florida for PY 23-24.

collaborate. innovate. lead.

 The CareerSource Florida Board of Directors Meeting was held on February 23, 2023. Mr. Bauer explained that the primary focus of the meeting was board realignment. In addition, Mr. Bauer stated that Jennifer Eimann, Executive Assistant, would provide the link for board members to access all the information provided at the CareerSource Florida Board of Directors meeting.

Mr. Bauer thanked all stakeholders who participated and assisted with CareerSource Florida's exploration of approaches to aligning Florida's 24 local workforce development boards consistent with the charge for reducing the number of local boards under the REACH Act and the Governor's REACH Office.

The main factors considered for the realignment and consolidation actions were population size, commuting patterns, labor market area, economic development area, education and training providers, industry compensation, stakeholder engagement, and regional planning councils.

The consulting firm, Enrst and Young, presented 3 options to the CareerSource Florida state board with the recommendation of Option I and was presented as follows: The realignment of Jefferson County with CareerSource Capitol Region resulted in a new four-county area. Monroe county will be realigned with CareerSource Southwest Florida. CareerSource Southwest Florida would become a six-county area by adding Monroe County. The changes will be reflected in the number of LWDBs, currently 24. Once finalized, there will be 21 LWDBs. CareerSource Florida identified the LWDBs that would be consolidated as CareerSource Florida Crown and CareerSource North Central Florida, CareerSource Flagler Volusia, and CareerSource Brevard, as well as CareerSource Pinellas and CareerSource Tampa Bay. This option was voted on by the CareerSource Florida board and passed unanimously.

 Mr. Bauer stated that Michelle Dennard, the former President/CEO of CareerSource Florida Board, resigned from her position effective January 31, 2023. CareerSource Florida Board of Directors unanimously approved the appointment of Adrienne Johnson as the President/CEO of CareerSource Florida on February 7, 2023.

Ms. Johnson, who was appointed to the position by Governor Ron DeSantis, most recently served as deputy secretary of the Department of Economic Opportunity's Division of Workforce Services.

Mr. Bauer explained that CareerSource Florida offered Reach Act updates on the most recent data regarding the LWDBs quarter-one letter grade performance for PY 2022-2023. The CareerSource Florida website is updated quarterly as the data becomes available. LWDB 20 achieved a letter grade of B+ (89.3%).

Agenda Item 12 - Adjournment

With no further items to discuss, Leslie Kristof, Chairperson, made a motion for adjournment. All members agreed, and the meeting was adjourned at 8:56 a.m.

The next Board of Directors Meeting will be held on April 26, 2023

Call to Order

Angela Williams, Vice-Chair, called the meeting to order at 8:05 am. A quorum was not established.

The committee determined that agenda items for discussion (8-11) would be presented to the committee members for review and discussion.

Agenda Item 8 - Primary Indicators of Performance 2nd Quarter PY 2023-2024:

Shelly Batton, Director of Programs, presented CSRC Primary Indicators of Performance for PY 2022-2023 2nd Quarter. Ms. Batton explained that the areas on the chart highlighted in blue reflect those performance goals exceeded (greater than 100% of negotiated). Likewise, goals highlighted in green show that performance goals were met (90-100% of negotiated), and those reflected in yellow still need to be met (less than 90% of negotiated) by CSRC.

Overall, the numbers in WIOA Adult, and Wagner-Peyser programs reflect that performance goals have been either exceeded or met. WIOA Dislocated Worker and Youth program shows that CSRC did not meet the performance goals for the 2nd quarter under the Employed 2^{nd} and 4^{th} Quarter After Exit categories.

Ms. Coble, WIOA Programs Manager, explained that in 2021 Career Planners had closed case files that were non-compliant or clients who could not be located. Closure of these cases with no verified employment is reflected in the metrics for the 2nd quarter under the Employed 2nd and 4th Quarter After Exit categories. A strategic approach has been developed to monitor and manage these two metrics.

Ms. Coble explained that for reporting purposes, DEO looks at a pool of candidates that have exited Employ Florida and are no longer receiving services. These candidates are reviewed on a rolling four-quarters. Specifically, for the Dislocated Workers in the Employed 2nd Quarter After Exit category, the rolling four-quarters would be those individuals that exited between January 21, 2021, and December 31, 2021. For those candidates who exited 4th quarter after exit, the rolling four-quarters would be July 1, 2020 through June 30, 2021.

collaborate. innovate. lead.

Ms. Coble reiterated that in 2021 DEO issued a directive to take an in-depth review of clients enrolled in CSRC programs and if considered to be disengaged, were closed. As a result, these individuals are now reflected under the Employed 2nd and 4th Quarter After Exit categories, as they are still cycling through the rolling four-quarters and are impacting our performance metrics.

Ms. Coble stated that the WIOA - Definition of 'Unlikely to Return' for Dislocated Worker Eligibility policy approved by the Board in December 2022 was put in place to expand the definition thereby increasing the eligible pool of Dislocated Worker candidates. In addition, the WIOA Career Planners are tasked with making sure that those candidates who are not employed after they have exited Employ Florida receive the services necessary to assist them in achieving their goals.

Agenda Item 9 - CareerSource Research Coast (CSRC) Program Updates:

 Shelly Batton, Director of Programs, shared updates on the Jobs for Veterans State Grant (JVSG) and Migrant and Seasonal Farmworkers (MSFW) Programs, and the Comprehensive Career Center:

Jobs for Veterans State Grant (JVSG) Program: Jill Lanier, Disabled Veterans Outreach Program (DVOP) Specialist, has been promoted to the Regional Veteran Program Coordinator for the state. Ms. Lanier will oversee LWDB 20, as well as LWDBs 17 - 24.

Ms. Lanier's DVOP position will now be categorized as a consolidated position and CSRC will look to hire an individual that fulfills the role of both DVOP and Local Veteran Employment Representative (LVER). This position will be based out of the Stuart office.

<u>Migrant and Seasonal Farmworkers (MSFW) Program</u>: Ms. Batton shared that Hector Ramirez, Outreach Specialist, has been working with the MSFW community to reengage them back into the workforce. Since May 2022 Mr. Ramirez has been heading a pilot program teaching English classes to the MSFW community. Agenda Item 5 - Review and Approve Application for Extension of Provider of Direct Services 2023-2026:

Brian Bauer, President/CEO, explained that WIOA allows Local Workforce Development Boards (LWDBs) to be designated as direct providers of intake, assessment, eligibility determination, or other services except for training services. Tracey McMorris, Vice President of Operations/COO, stated that the Local Workforce Development Boards (LWDBs) provide transitional services to support families after they have exited the Temporary Cash Assistance program due to earned income. Florida Statues allow LWDBs to provide transitional supportive services for a maximum of two years.

Florida Statues previously allowed LWDBs to provide transitional supportive services for a maximum of one year. The local policy was updated to expand access to transitional services for eligible participants for two years.

A motion was made by Larry Hawes to approve the Welfare Transition (WT) Program - Transitional Support Services Policy Revisions, as presented. Werner Bols seconded the motion. The motion passed unanimously.

Agenda Item 8 - Review and Approve Welfare Transition (WT) Program - Program Requirements Policy Revisions:

Tracey McMorris, Vice President of Operations/COO, explained that in accordance with state and federal guidelines, the Department of Economic Opportunity (DEO) tasks each Local Workforce Development Board (LWDB) with implementing and administering the state's workforce programs, including WT, at the local Career Centers. The WT Program emphasizes work, self-sufficiency, and personal responsibility. The program is structured to enable participants to move from public assistance to economic self-sufficiency.

To support the goals of the WT Program, the local policy was updated to expand access to transitional services for eligible participants for a maximum of two years.

collaborate. innovate. lead.

- Program Requirements Policy Revisions, as presented. Pamela Houghton seconded the motion. The motion passed unanimously

Agenda Item 10 - Review and Approve Training Provider Recommendation - Treasure Coast Medical Institute:

Tracey McMorris, Vice President of Operations/COO, explained providers of training services may apply for initial eligibility by completing a CareerSource Research Coast (CSRC) application for inclusion on the local list of eligible training providers. Applications received are reviewed by CSRC staff members to confirm all required documentation is provided and minimal performance levels have been met. If the review team determines the provider has submitted all required documentation and met minimal performance levels, the application will be reviewed by a rating team based on a 100-point scale. The average score of the team must be 75 for the application to be presented for approval.

Based on the rating team's metrics, the team recommended that the Treasure Coast Medical Institute should be added to the Eligible Training Provider List (ETPL).

A motion was made by Pamela Burchell to approve the Training Provider Recommendation Treasure Coast Medical Institute, as presented. Werner Bols seconded the motion. The motion passed unanimously.

Agenda Item 11 - Primary Indicators of Performance 2nd Quarter PY 2022-2023:

Brian Bauer, President/CEO, presented CSRC Primary Indicators of Performance for PY 2022- 2023 2nd Quarter. Mr. Bauer explained that the areas highlighted in blue below reflect those performance goals exceeded (greater than 100% of negotiated). Likewise, goals highlighted in green show that performance goals were met (90-100% of negotiated), and those reflected in yellow still need to be met (less than 90% of negotiated) by CSRC.

Overall, the numbers in WIOA Adult, and Wagner-Peyser programs reflect that performance goals have been either exceeded or met. WIOA Dislocated Worker and Youth program show that CSRC did not meet the performance goals for the 2nd quarter under the Employed 2nd and 4th Quarter After Exit categories.

Mr. Bauer explained that in 2021 DEO required all LWDBs to complete a purge of WIOA and requested the closure of case files that were non-compliant or clients who could not be located. Closure of these cases with no verified employment is reflected in the metrics for the 2nd quarter under the Employed 2nd and 4th Quarter After Exit categories. A strategic approach has been developed to monitor and manage these two metrics. CSRC staff are confident that performance in this area will improve over time.

Agenda Item 12 - Application for Subsequent Local Workforce Development Area (LWDA) Designation - PY2023 & PY2024:

Brian Bauer, President/CEO, explained that this application is a recertification of board membership for PY2023 & 2024. Under WIOA, the Governor must designate local workforce development areas after consultation with the State Workforce Board, CareerSource Florida, Chief Local Elected Officials (CLEO), and the Local Workforce Development Boards.

LWDAs that received an initial designation shall be granted a subsequent designation if, for the two most recent program years, the LWDA performed successfully and sustained financial integrity.

collaborate. innovate. lead.

Mr. Bauer stated that there are no current changes to this application's Local Workforce Development Area (LWDA) Designation.

Agenda Item 13 - RFP/RFQ Composite Rating Sheet - Award of Contract for Audit Services: Brian Bauer, President/CEO, explained the current Audit Services contract was for one year for the program year ending 6/30/2023. Contracts are awarded for a period of five (5) years renewable annually depending upon performance.

In February of 2023, CareerSource Research Coast released a Request for Quote to accept quotes from vendors for the program years starting 7/01/2023 through 6/30/2027.

CSRC received four (4) proposals. Only three (3) of these proposals passed technical review. A rating team consisting of the Director of Programs, the Chief Financial Officer, and the Finance Accountant. Based on the cumulative rating score of the team, James Moore and Company has been selected.

Agenda Item 15 - Other Business:

a. <u>On-the-Job Training Termination Appeal - QPI Healthcare Services, LLC</u> - Brian Bauer, President/CEO, explained that QPI Healthcare Services, LLC. entered into a contract with CareerSource Research Coast for three On-the-Job Training (OJT) opportunities. As part of the contract, the employer is required to provide timesheets and proper documentation so that the employee's hours worked can be verified for reimbursement purposes.

After numerous attempts to obtain the proper documentation from QPI Healthcare Services, and information not being provided correctly or in a timely manner it was determined that the OJTs would be terminated. A letter was sent to the employer regarding the termination of the OJT contract, the reason for termination, and explaining the employer has a right to appeal.

QPI Health Services choose to appeal against the decision made by CSRC to terminate the contract. As part of their statement, the employer felt that the CSRC employee they had been working with gave improper information and falsely documented paperwork.

After a review by the executive team of all information, it was determined that the employee's misconduct did not reach the point of termination, but she agreed to be demoted with a reduction in pay.

After further discussion with the Executive Committee members who agreed with the decision, Mr. Bauer stated that a letter would be sent to QPI Healthcare Services CEO outlining the steps taken to resolve this matter. Mr. Bauer stated he would keep the members updated on the employer's response.

b. Port St. Lucie Satellite Career Center - Closure - Brian Bauer, President/CEO, explained that as part of the phase-out program of office space for CSRC the satellite office in suite 200, Port St. Lucie will close in June 2023 and the employees who are currently in that space will be moved to other locations to include suite 400, St. Lucie career center, Stuart career center, and the Ft.

collaborate. innovate. lead.

Pierce comprehensive career center. Once suite 200 is closed the phase-out program for the St. Lucie office space will be complete.

c. <u>Board Membership - Ad Hoc Committee</u> - Brian Bauer, President/CEO, updated the committee members on the search for new board members. There are four/five seats that will be vacated as of June 30, 2023.

Mr. Bauer shared that he would be recommending a Business Member (BU) seat to the Treasure Coast Workforce Consortium for appointment on the CareerSource Research Coast Board of Directors. This BU appointment is for our local Chambers of Commerce for the three counties we serve. This seat will rotate annually (July 1 through June 30) between the three main entities. Dori Stone will be the first chamber head to serve on the Board of Directors starting July 1, 2023.

Kevin Statin, Bank of America, has also completed an application for membership representing the financial sector.

Tom Whittingham, Manatee Pocket Yacht Sales, is partnering with CSRC to find a possible candidate in the marine industry to serve on the board.

- d. <u>Board Member Orientation Training Annual Refresher</u> Brian Bauer, President/CEO, reminded committee members that Jennifer Eimann would be sending out the Board Member Refresher Orientation on May 1, 2023. The orientation should be completed by June 30, 2023.
- e. <u>CareerSource Florida Board of Directors and Council Meetings</u> Brian Bauer, President/CEO, explained that the Board of Directors and Council Meetings will be taking place in Tallahassee, June 4-7, 2023.

Mr. Bauer explained that he would be speaking with Leslie Kristoff, Chair, about attending the Board and Council meetings.

f. <u>One-Stop-Operator Update</u> - Brian Bauer, President/CEO, shared that he was informed by DEO that the LWDBs can only serve as the One-Stop-Operator on a temporary basis. Therefore, CSRC is preparing to put the position out for procurement.

The LWDBs are waiting on the state to provide more guidance in this matter and will keep the committee members updated.

g. <u>REACH Act Update</u> - Brian Bauer, President/CEO, explained that the main factors considered for the realignment and consolidation actions were population size, commuting patterns, labor market area, economic development area, education and training providers, industry compensation, stakeholder engagement, and regional planning councils.

collaborate. innovate. lead.

The consulting firm, Ernst and Young, presented 3 options to the CareerSource Florida state board with the recommendation of Option I which was presented as follows: The realignment of Jefferson County with CareerSource Capitol Region resulted in a new four-county area. Monroe County will be realigned with CareerSource Southwest Florida. CareerSource Southwest Florida would become a six-county area by adding Monroe County. The changes will be reflected in the number of LWDBs, currently 24. Once finalized, there will be 21 LWDBs.

CareerSource Florida identified the LWDBs that would be consolidated as CareerSource Florida Crown and CareerSource North Central Florida, CareerSource Flagler Volusia, and CareerSource Brevard, as well as CareerSource Pinellas and CareerSource Tampa Bay. This option was voted on by the CareerSource Florida board and passed unanimously.

Agenda 14 - Adjournment

AGENDA ITEM SUMMARY

Local Targeted Occupations List (LTOL) for 4t Quarter of PY 22-23

GOAL	Strong Advancement of Existing and Emerging Local Targeted Industry Clusters
POLICY/PLAN/LAW	Workforce Innovation & Opportunity Act
ACTION REQUIRED	e ie and Approve the LTOL for the 4t Quarter of Program Year 2022-2023
BACKGROUND	The Department of Economic Opportunity's (DEO) Bureau of Labor Market Statistics (LMS) has published the 2022-2023 Statewide Targeted Occupations List on the DEO website. The Statewide Demand Occupations list identifies the labor market needs of Florida's business community and encourages job training based on those needs, with emphasis on jobs that are both high demand and high skill/high wage, and is used as a baseline for establishing the Local Targeted Occupations Lists (LTOLs). The Local Workforce Development Boards (LWDBs) develop and use their LTOLs to identify occupations for which eligible adults and dislocated workers may receive training assistance under the Workforce Innovation and Opportunity Act. Pursuant to CareerSource Florida policy, LWDBs are to develop their LTOLs, in consultation with local business and industry representatives, using the LMS-generated Demand Occupations Lists, as well as other resources, such as Help Wanted Online Lists and Supply/Demand lists. The LWDBs must publish their updated LTOLs on their websites and update them as they make changes. CareerSource Florida's LTOL policy and process. As part of our local policy, the LTOL is to be reviewed and approved on a quarterly basis in order to add occupations in demand or delete occupations that are declining.
STAFF RECOMMENDATION SUPPORTING	Staff reviewed local labor market information and resources regarding the LTOL. There is a recommended addition of occupations to the 4t Quarter of PY 2022-2023 list. Staff recommends approval of this LTOL for the 4t Quarter of PY 2022-2023.

Background	WIOA allows Local Workforce Development Boards (LWDBs) to be designated as direct providers of intake, assessment, eligibility determination, or other services except for training services. This designation may occur only with the agreement of the Chief Elected Official and the Governor and must be approved by CareerSource Florida for a period not to exceed three years.
	CSRC's designation as a Direct Service Provider expires June 30, 2023. Therefore, we are required to request another three-year extension as a direct provider of services through a structured application process. I. PURPOSE AND SCOPE

The purpose of this policy is to outline the processes for Local Workforce Development Boards (LWDBs) to:

- 1. Request designation as a direct provider of workforce services (other than training services);
- 2. Request an extension of a previous designation as a direct provider of workforce services; and
- 3. Submit annual performance reports.

II. BACKGROUND

WIOA allows LWDBs to be direct providers of basic and individualized career services (also referred to as "workforce services"), with the agreement of the Chief Elected Official in the local area, LWDB, and the Governor. LWDBs have the flexibility to award contracts for career services and are not required by statute to competitively procure providers of career services. WIOA regulations strongly encourage the use of a competitive procurement process in the selection of providers for program activities and services. Providers of youth and training services must be competitively procured.

DEO FG 083 - Direct Service Provider Designation, November 18, 2013

III. AUTHORITY

Workforce Innovation and Opportunity Act of 2014, <u>*Public Law 113-128</u>, Sections 107(d)(10)(D); 107(g)(2); and 121(d)(4)(A)</u>*

Florida Statutes, <u>Section 445.007(6)</u>

IV. POLICY

LWDBs that wish to be designated as direct providers of workforce services (other than training services) must formally request to do so. The LWDB initiates the process by submitting a Statement of Intent to Serve as a Direct Provider of Workforce Services (see Section VI – Attachments), addressed to the President of CareerSource Florida, requesting permission to become a direct provider of workforce services (other than training services). The following items must be included with the statement and be incorporated into the LWDB's local WIOA plan upon approval of the request:

- 1. A description of the revised business model the LWDB has elected to follow, a description of the workforce services the LWDB plans to provide, and how the services will be delivered. This will include a reference to those items in the local WIOA plan that would change if the request is approved (at a minimum, the process for selecting service providers and the description of the local one-stop system), as well as a revised organization chart reflecting the proposed new structure and service delivery model.
- 2. The effective date for when the LWDB will begin to provide workforce services.
- 3. The period of time, not to exceed three years, the LWDB will directly provide workforce services. The request should include a description of any transitional period needed to ensure continuity in service delivery to the LWDB's customers.
- 4. A statement of the reason(s) why the LWDB has decided to directly provide the workforce services.
- 5. A description of how the LWDB will establish a firewall that clearly separates and defines its existing role as the oversight body for the LWDB's workforce delivery system from its new role as the direct provider of workforce services.
- 6. Identification of the grant program(s) that currently fund the workforce service delivery model and that will fund the LWDB's direct service activities.
- 7. The estimated cost of the services and results of a cost analysis that documents expected reduction in costs if the LWDB provides the workforce services rather than contracting those services to another provider.
- 8. A description of any other anticipated improvement to service delivery and performance outcomes.

- 9. Documentation that the public was provided at least 30 days' notice to review and comment on the proposed change in service delivery. Any submitted comments must be included.
- 10. Documentation that the Chief Elected Official has agreed to the planned change in service delivery.
- 11. The completed Statement of Intent to Serve as a Direct Provider of Workforce Services (see Section VI Attachments).

LWDBs as Direct Providers and One-Stop Operators (OSOs)

LWDBs may serve as both a direct provider of workforce services (other than training services) and as the one-stop operator. LWDBs are not required to compete to serve as direct service providers, but are required to participate in the competitive procurement process to serve as the OSO as outlined in the <u>One-Stop Operator Procurement Administrative Policy 097</u>. In cases where the LWDB is both the one-stop operator and a direct service provider, there must be firewalls and internal controls within the operator/service provider entity, as well as specific policies and procedures for oversight, monitoring, and evaluation of performance of the LWDB as the direct service provider, consistent with 20 CFR 679.430.

Requesting an Extension to Serve as a Direct Provider of Workforce Services

LWDBs are required to submit a Request for Extension to Serve as a Direct Provider of Workforce Services (see Section VI–Attachments) to operate as a direct provider of workforce services (other than training services) at least every three years. The LWDB must state they wish to extend their permission to be a direct provider of workforce services three months before the current approval expires. A request for extension must include the following:

- 1. A review of how the direct provision of workforce services during the prior period fit the business model that the LWDB proposed in its original request and any proposed changes in the business model or the particular workforce services the LWDB intends to provide during the extension period.
- 2. The effective date for when the extension will begin.
- 3. The period of time, not to exceed three years for when the extension will be in effect.
- 4. A review of the LWDB's stated reasons in its previous request why the LWDB has decided to directly provide workforce services, and an explanation of how it is still in the best interest of the LWDB's customers that the LWDB continue to provide these services.
- 5. A review of the effectiveness of the firewall established by the LWDB to clearly separate existing roles as oversight body for the LWDB's workforce delivery system and its role as the direct provider of workforce services, and an explanation of changes to be made to the firewall.
- 6. Identification of the grant program(s) that fund the workforce service delivery model.
- 7. A cost analysis that documents the actual reduction in costs with the LWDB providing workforce services rather than contracting those services to another provider and an estimate of such costs and savings for the upcoming three-year period.

- 8. A review of any other realized improvement to service delivery and performance outcomes and description of anticipated improvements.
- 9. Documentation that the public was provided at least a 10 days' notice to review and comment on the proposed extension. Any submitted comments must be included.
- 10. Documentation that the Chief Elected Official has agreed to the planned extension.
- 11. Completed Request for Extension to Serve as a Direct Provider of Workforce Services (see Section VI Attachments).

Review and Approval Process

CareerSource Florida (CSF) and the Department of Economic Opportunity (DEO) will review the LWDB's request for permission to be a direct provider of workforce services or the request for an extension for compliance with statutory requirements and this policy. DEO will make a recommendation to CSF of whether or not to approve the LWDB's request to be designated as a direct provider of workforce services. The LWDB will be advised of the final decision after the CSF board action is taken. Approval for any single request shall be granted for a period of up to three years.

Required Annual Performance Report

LWDBs designated as direct provider of workforce services must submit a performance report at the end of each program year for which direct workforce services were provided. The report shall contain, at a minimum, the following:

- 1. An analysis of cost savings as a result of the LWDB providing direct workforce services.
- 2. A description of improvement in performance outcomes.
- 3. A description of any "best practices" that could be shared with other LWDBs.

The annual performance report will be due no later than October 15th each year (or when requested) and shall be submitted via email to DEO at: <u>WIOA@deo.myflorida.com</u>.

Statement of Intent to Serve as a Direct Provider of Workforce Services

Request for Extension to Serve as a Direct Provider of Workforce Services

EXTENSION REQUEST TO PROVIDE DIRECT SERVICES EXTENSION BEGIN DATE: 7/1/2023 EXTENSION END DATE: 6/30/2026

The Workforce Development Board of the Treasure Coast d/b/a CareerSource Research Coast (CSRC), with the approval of our Treasure Coast Workforce Consortium and the Executive Committee of the CareerSource Research Coast Board of Directors (the full Board of Directors will meet on April 26, 2023) submits the following request of designation to CareerSource Florida, Inc., for approval.

This extension request follows the outline suggested by the requirements stated in CareerSource Florida, Inc. Administrative Policy #83. The information required by this guidance is as follows:

1. A review of how the direct provision of workforce services during the prior period fit the business model that the LWDB proposed in its original request and any proposed changes in the business model or the particular workforce services the LWDB intends to provide during the extension period.

The Workforce Development Board of the Treasure Coast, Inc. officially became the direct provider of workforce services for Indian River, St. Lucie, Martin, and Okeechobee counties on January 1, 2009. The business model proposed in the original request to provide direct services was fully implemented and has been consistently successful in reducing costs, improving operations, and achieving high-performance outcomes.

For both Program Years 2020-2021 and 2021-2022, CSRC exceeded eleven (11) of the eighteen (18) negotiated WIOA Primary Indicators of Performance targets and met six (6). As of the second quarter of Program Year 2022-2023, CSRC is exceeding eleven (11) of the eighteen (18) targets.

The Workforce Development Board of the Treasure Coast, Inc. d/b/a CareerSource Research Coast (CSRC) has operated the WIA and now WIOA Youth Programming through a Subrecipient Agreement since 2012. Through a competitively procured process, CSRC awarded Henkels & McCoy, Inc. an agreement for WIA Youth Program and Services on July 1, 2012. After performance reviews each year by the CSRC Youth Council and the full Board of Directors, the agreement was extended for two additional years. Effective April 1, 2016, Henkels & McCoy Inc., assigned their Training Services Division to Eckerd Youth Alternatives, Inc. The CSRC Board of Directors approved this assignment and the assumption of the WIOA Youth Program and Services Agreement by Eckerd Youth Alternatives, Inc. As required, CSRC issued a Request for Proposals for WIOA Youth Program and Services in February 2016. After the rating of a review committee and approval by the CSRC Youth Council, Executive Committee, and full Board of Directors, Eckerd Youth Alternatives, Inc was awarded a Subrecipient Agreement for the period of July 1, 2016, through June 30, 2021, dependent upon performance. After successful performance reviews by the CSRC Youth Council and the full Board of Directors over the same period, the agreement was continually extended. CSRC again competitively procured Eckerd Youth Alternatives to serve as the WIOA Youth Services Provider for the period of July 1, 2021, through June 30, 2026.

In accordance with WIOA legislation, the CSRC Board of Directors defined and approved the role and responsibilities of a One-Stop Operator at their January 2017 meeting. Through a formal procurement process, a One Stop Operator was selected and awarded the contract for the period of July 1, 2017 – June 30, 2021, with annual renewal based on performance. In January 2019, the One Stop Operator notified CSRC of their intent to terminate the contract on June 30, 2019. Subsequently, in March 2019, CSRC released a One-Stop Operator RFP to accept proposals from vendors for the period of July 1, 2019, through June 30, 2022. CSRC conducted an open and competitive procurement process and received one proposal, which was ultimately rejected by the CSRC Board of Directors. CSRC formally requested and received approval from the CareerSource Florida, Inc. Board of Directors to serve as the One Stop Operator through June 2022.

After two failed procurement processes to secure a One Stop Operator for the period of July 2022 through June 2026, CSRC again formally requested and received approval to serve as the One Stop Operator from the CareerSource Florida, Inc. Board of Directors meeting in September 2022. CSRC continues to serve in this capacity until a One Stop Operator is successfully procured.

2. The effective date for when the extension will begin.

The effective date for the extension will begin on July 1, 2023.

3. The period of time, not to exceed three years for when the extension will be in effect.

The extension of direct service delivery for CareerSource Research Coast will be in effect for the period of <u>July 1, 2023</u> through <u>June 30, 2026</u>.

4. A review of the LWDB's stated reasons in its original request why the LWDB has decided to directly provide the workforce services, and an explanation of how it is in the best interest of the LWDB's customers that the LWDB continue to provide these services.

CareerSource Research Coast's primary reasons for assuming direct management of regional operations included cost savings, the opportunity to have more local control over operations and performance and to promote more effective communication with staff, clients, business customers, community partners and the public at large.

As the provider of direct services, CSRC has continually reduced administrative costs, eliminated duplication, and experienced additional cost benefits in staffing when the administrative and program staff are united under the same organization. Given the budgetary challenges that LWDB 20 has met and will continue to meet, the streamlining of management and oversight duties will be a key strategy for service delivery and continued performance outcomes.

In order to create a high-quality Career Center system in LWDA 20, CSRC has developed the following vision, mission and goals:

VISION:

To be the catalyst empowering our communities toward economic success.

MISSION:

Provide Opportunities. Improve Lives.

GOALS:

- **Customer-Centric Culture:** Expand our ability to identify and exceed customer needs and expectations
- **Collaborative Partnerships:** Expand our ability to meet the diverse needs in our community.
- **Marketing:** Expand the awareness and understanding of the roles and responsibilities of CSRC and the resources, services our partners and we can provide.
- Innovation: Promote continuous improvement.
- **Talent management:** Be the best place to work.
- 5. A review of the effectiveness of the firewall established by the LWDB to clearly separate existing roles as oversight body to the LWDB's workforce delivery system and its role as the direct provider of workforce services, and an explanation of changes to be made to the firewall.

The appropriate firewalls established by LWDB 20 guard against any conflict of interest and is described in detail in the Board's Administrative Plan. These established firewalls were validated through the most recent, 2022 – 2023 Internal Control Questionnaire.

Through its governance structure and operational guidelines, CareerSource Research Coast ensures the separation of oversight and management responsibilities. The Board of Directors also provides broad oversight through a committee structure which, for the purpose of workforce system oversight, is the Programs and Services Committee. Day-to-day operational management is the role of the CSRC management team, with specific responsibility for system management. This team consists of Directors, Career Center Managers, and Program Managers, under the leadership of the Vice President of Operations/Chief Operations Officer. The Vice President of Operations/COO reports directly to the President/Chief Executive Officer. The President/CEO is the sole point of accountability to the Board of Directors in the management of local operations.

The day-to-day service delivery tasks are assigned to staff stationed at our Career Centers and service-delivery access points. CSRC staff and jointly managed staff from the Department of Economic Opportunity provide client and customer direct services, exclusive of occupational skills training.

CareerSource Research Coast's firewall is also enhanced through the procurement of a contracted monitoring firm for all workforce programs. Program Managers for the Welfare Transition, Wagner Peyser, WIOA Adult, Dislocated, and Youth Programs provide continuous oversight and monitoring in their roles as subject matter experts.

Independent financial reporting and monitoring will continue to be contracted to a third party.

6. An identification of the grant programs(s) that currently fund the workforce service delivery model.

The workforce development system current funding sources include the following: Workforce Innovation and Opportunity Act, Title 1, Adults Workforce Innovation and Opportunity Act, Title 1, Dislocated Workers Workforce Innovation and Opportunity Act, Title 1, Youth Welfare Transition Program Supplemental Nutrition Assistance Program Wagner Peyser ReEmployment Services and Eligibility Assessment (RESEA) Program Trade Assistance Adjustment Jobs for Veterans State Grant St. Lucie County Board of County Commissioners Summer of Success Grant Indian River State College - USDOL YouthBuild 2.0 Grant Families Ascending Toward Economic Success (F.A.T.E.S.) Grant Florida Atlantic Workforce Alliance (FAWA) Grant

7. A cost analysis that documents the actual reduction in costs with the LWDB providing direct workforce services rather than contracting those services to another provider and an estimate of such costs and savings for the upcoming three-year period.

The actual reduction in costs with CareerSource Research Coast providing services rather than contracting service to another provider is as follows:

Program Year 2011-2012: Cost savings of \$603,276. Program Year 2012-2013: Cost savings of \$664,638. Program Year 2013/2014: Cost savings of \$790,216. Program Year 2014/2015: Cost savings of \$697,590. Program Year 2015/2016: Cost savings of \$537,202. Program Year 2016/2017: Cost savings of \$648,367 Program Year 2017/2018: Cost savings of \$648,363 Program Year 2018/2019: Cost savings of \$636,363 Program Year 2018/2019: Cost savings of \$580,280 Program Year 2019/2020: Cost savings of \$614,421 Program Year 2021/2022: Cost savings of \$556,456

In keeping with the trends of previous years' savings, CSRC estimates an average cost savings of approximately \$600,000 per year over the next three years.

8. A review of any other realized improvement to service delivery and performance outcomes, and description of anticipated improvements.

As the Local Workforce Development Board for Local Workforce Development Area 20, CareerSource Research Coast continues to meet and exceed all performance outcomes. The following are examples of CSRC's performance:

- Met the ITA Waiver Requirement each year since the waiver's inception.
- Met and exceeded the Primary Indicators of Performance
- Consistently achieved minimal or no monitoring findings in the WIOA, SNAP, and TAA programs

Examples of our improvement to service delivery are listed below.

- CSRC serves as the sponsor of seven Registered Apprenticeship Programs (RAPs) and works with industry representatives and local businesses to develop new RAPs as needed. CSRC's current RAPs are Industrial Manufacturing Technician, Truss Design Technician, Distribution Logistics Technician, Marine Services Technician, Tech Support Specialist, Network Support Specialist, and Cybersecurity Technician.
- CSRC, the Indian River County Economic Development and area manufacturers collaborate with the Treasure Coast Technical College, Vero Beach, to develop a one-week manufacturing boot camp, to serve an underrepresented population of Indian River County and provide a mechanism for marketing apprenticeship opportunities available locally. The boot camps include tours at local manufacturing sites, hands-on activities, and soft skills to build a foundation on the benefits of a career path in manufacturing. There are slots allotted for graduating high school seniors selected through an application process. These individuals are offered the opportunity to go directly into the IMT Registered Apprenticeship, earning while they learn.
- CSRC hosts an annual Career Connect Conference, an industry-driven half-day conference that brings together 600 plus high school Juniors and Seniors to explore post-secondary training options, and career path opportunities in various industry sectors in demand. The conference features keynote speakers and sector industry leaders who engage students with hands-on career exploration opportunities, leadership skills, career readiness, and financial aid information
- In order to start building talent pipelines to meet the needs of sectors in demand, CSRC serves as a convener for the area's Workforce Readiness Taskforce, which together economic development agencies, educational providers, business leaders representing industry sectors in demand and community partners. The mission of this industry-led task force is to organize processes and leverage resources to support a focused sector-based talent development pipeline to meet the needs of employers and career seekers throughout the LWDA.
- CSRC is a partner of the Lincoln Park Common Good Initiative, a collaboration of Allegany Franciscan Ministries along
 with community residents and stakeholders to create opportunities, develop strategies and make investments that
 lead to positive life outcomes for people in Lincoln Park, an under-resourced community in Fort Pierce. In partnership
 with Lincoln Park Common Good Initiative, the Lincoln Park Career Pathways Initiative (LPCPI) was developed to
 provide career training and supportive services for participants in the initiative's manufacturing, logistics and health
 care training. CSRC works closely with economic development partners to develop employment opportunities for
 the participants who successfully complete the training and gain industry certifications.
- Summer of Success (SOS) is an innovative eight-week work-readiness training program consisting of soft skills training and work experience through paid internship. Youth ages 16-24 who reside within the participating County may apply. Priority of enrollment in Summer of Success is given, but not limited to, youth facing life barriers such as: criminal offenders, pregnant or parenting youth, youth with disabilities, youth living in a high poverty area, or youth identified as at-risk for street gang activity. SOS provides many young people with their first experience in the workplace, and every step from the online application to the exit evaluation at the end of the program is designed to closely mimic actual employment. Once the internship is complete, the participant will have positioned themselves to enter a Pre-Apprenticeship, Apprenticeship or OJT opportunity which will lead to increased wages, additional training, and nationally recognized certifications.
- CSRC sponsored a TANF Summer Youth Program from June 2022 through August 2022 that supported teen pregnancy prevention programs for 68 youth served through partnerships with the Boys and Girls Club of St. Lucie County, The Inner Truth Project, END IT Corp, and investHER Academy + Startup Smart Kids, CSRC intends to sponsor the TANF summer program whenever funding permits.
- In conjunction with the Children Services Councils and the Early Learning Coalitions and along with three additional LWDBs, CSRC was selected to participate in the F.A.T.E.S. Demonstration Project (2Gen). As part of a regional initiative, CSRC received funding under the Pathways to Prosperity Initiative to offer individualized career services to a cohort of thirty families in targeted neighborhoods within census tract areas of greatest poverty. Basic and intensive WIOA services, focusing on CSRC's sector strategies, are provided to select families receiving subsidized childcare to encourage career advancement and wage progression. These target families may be provided with career readiness and advancement counseling, coaching, soft-skills development, assistance with training and education, assistance with the cost of transportation, and job placement. Low-income families often experience a disincentive to progress in their wage earning and asset building when an increase in income will disqualify the household from continued access to supportive programs, such as affordable childcare. Project (2Gen) included addressing this "cliff effect" by integrating a three-year phase-out period to mitigate the fiscal cliff created by the abrupt termination of childcare benefits after reaching the maximum allowable household income.

- CSRS partners with community organizations to host the annual Homeless Veterans Stand Down which focuses on the local homeless Veteran population providing them with food, clothing, mobile showers, health screenings, haircuts, legal services, and much more.
- With special grant funding received during Program Years 2021-2022 and 2022-2023, CSRC deployed a Recovery Navigator to address the cpioid crisis' impact on the local workforce development area. CSRC's Substance Use Disorder (SUD) initiative aims to enhance and build upon community infrastructure that effectively connects individuals in SUD recovery to employment resources while raising employers' awareness of the benefits of hiring individuals from this nontraditional talent pipeline.
- To advance and promote the SUD Initiative, the Recovery Navigator serves as the Co-Chair of Drug-Free St. Lucie, a coalition of area leaders working to develop infrastructure for community-based public health approaches that lead to effective and sustainable reductions in alcohol, marijuana, and other substance use in St. Lucie County, FL, the area most significantly impacted by the opioid crisis. The Recovery Navigator also produces a monthly radio broadcast focused on SUD and individuals in recovery. The broadcast boosts awareness of SUD challenges, opportunities, and overall impacts on workforce development, but most importantly, features special guests highlighting SUD-supportive employers and successful employees. Guests representing trade associations, addiction treatment centers, Florida's Department of Health, CareerSource program staff and partners, the Public Defender's Office, therapists, and medical professionals have all participated in the broadcasts. CSRC's SUD Initiative resulted in the development of the Recovery Support Specialist, Addiction Counselor, and Behavioral Health Technician Registered Apprenticeship Programs developed in collaboration with the Florida Behavioral Health Association.

Under direct service provision, CareerSource Research Coast experiences more control over day-to-day operations and performance, as well as better communications with staff, clients, customers, community partners and the public at large. With the implementation of WIOA and as the workforce climate changes or new initiatives and goals are set, CareerSource Research Coast has the proven ability to reorganize staff to create empowered teams with an emphasis on excellent customer service and outstanding performance.

PURPOSE

The purpose of this policy is to create a uniform standard for CareerSource Research Coast (CSRC) in operating the Welfare Transition (WT) Program in accordance with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 and Florida's Temporary Assistance for Needy Families State Plan.

BACKGROUND

In accordance with state and federal guidelines, the Department of Economic Opportunity (DEO) tasks each Local Workforce Development Board (<u>LWDB</u>) with implementing and administering the state's workforce programs, including WT, at the local Career Centers. The WT Program emphasizes work, self-sufficiency, and personal responsibility. The program is structured to enable participants to move from public assistance to economic self-sufficiency.

LOCAL POLICY

PROGRAM OPERATION

CSRC will operate a WT Program with designated Career Planners who will provide services from each CSRC Career Center throughout Local Workforce Development Area (LWDA) 20. Services will be provided to WT Program participants referred by Florida's Department of Children and Families (DCF) for mandatory participation and WT Program applicants referred by DCF for work registration and sanction compliance.

APPLICANT ENGAGEMENT

The Florida Statute 414.095 (2018) requires all non-exempt Temporary Cash Assistance (TCA) applicants to register for work at the Local Workforce Development BoardLWDB. This process is referred to as work registration. CSRC, in conjunction with DEO, is responsible for administrating work registration to applicants of TCA in the LWDA 20. CSRC is responsible for engaging applicants for sanction compliance once the individual has served the full penalty period based on the sanction level imposed by DCF.

MANDATORY ENGAGEMENT

Once the applicant's TCA benefits are approved, he/she is referred to CSRC as a mandatory participant. Federal Regulations (45 CFR Part 261.11) require the completion of an initial assessment of a participant's skills, work experience, barriers, and employability within 30 days of the date the participant is approved for TCA. A detailed, well-structured Individual Responsibility Plan (or Alternative Responsibility Plan) is created, and frequently updated, to guide the participant toward achieving his/ her education and employment goals leading to long-term self-sufficiency.

PROGRAM ACTIVITIES

I

TCA recipients who are not exempt from work requirements must participate in countable work activities for a specified number of hours per week/ per month. CSRC assigns program activities to WT Program participants in accordance with Florida's Work Verification Plan (2012). Individuals who are unable to participate in work activities due to a medical limitation, may be deferred from participation under Florida Statute, Chapter 414.065(4)(d)(e)&(f). This provision allows for assignment of work activities consistent with a participant's medical limitation. In addition, individuals identified as victims of domestic violence may be deferred from participating so he/she may focus on the family's immediate safety needs.

PENALTIES

As a condition of ongoing eligibility for TCA benefits, WT Program participants are required to participate in the program. Failure, without good cause, to become fully engaged in targeted activities assigned by the Career Planner to increase work skills or to remove/mitigate barriers may result in a sanction against the family's TCA and, potentially, Supplemental Nutrition Assistance Program benefits. Florida defines "good cause for failure to comply with work or alternative requirement activities" as the temporary inability to participate due to circumstances beyond the participant's control.

SUPPORT SERVICES AND INCENTIVES

CSRC provides supportive services to WT Program participants, when allowable and necessary, to remove barriers to participation in work or alternative requirement plan activities and employment. In addition, CSRC provides incentive payments to WT Program participants to encourage the completion of activities leading to self-sufficiency.

TRANSITIONAL SUPPORT SERVICES

CSRC provides transitional support services to eligible participants working at least 25-20 hours per week for a period of one-two years following the closure of their TCA benefits because of earned income. Transitional supportive services are based on the availability of funding.

COMMUNICATION

Florida Job Connect provides WT Program participants with the opportunity to opt in to receiving online communication. DEO has authorized the use of online communication through Florida Job Connect with participants who have selected this option. When participants elect to receive online communication, they are notified that failure to log in and review their correspondence could result in a loss of benefits from DCF. As virtual appointments are offered as an option to participants, digital signatures will be accepted from both the Career Planner and the participant.

Failure, without good cause, to become fully engaged in targeted activities assigned by the Career Planner to increase work skills or to remove/mitigate barriers may result in a sanction against the family's TCA and, potentially, Supplemental Nutrition Assistance Program benefits. Florida defines "good cause for failure to comply with work or alternative requirement activities" as the temporary inability to participate due to circumstances beyond the participant's control.

SUPPORT SERVICES AND INCENTIVES

CSRC provides supportive services to WT Program participants, when allowable and necessary, to remove barriers to participation in work or alternative requirement plan activities and employment. In addition, CSRC provides incentive payments to WT Program participants to encourage the completion of activities leading to self-sufficiency.

TRANSITIONAL SUPPORT SERVICES

CSRC provides transitional support services to eligible participants working at least 20 hours per week for a period of two years following the closure of their TCA benefits because of earned income. Transitional supportive services are based on the availability of funding.

COMMUNICATION

Florida Job Connect provides WT Program participants with the opportunity to *opt in to* receiving online communication. DEO has authorized the use of online communication through Florida Job Connect with participants who have selected this option. When participants elect to receive online communication, they are notified that failure to log in and review their correspondence could result in a loss of benefits from DCF. As virtual appointments are offered as an option to participants, digital signatures will be accepted from both the Career Planner and the participant.

MEMORANDUM

DATE:	March 31, 2023	
-------	----------------	--

- TO:
 Local Workforce Development Board Executive Directors

 FROM:
 Kathryn Nelson, Chief, Bureau of One-Stop and Program Support
- **SUBJECT:** Local Workforce Development Area Designation and Local Workforce Development Board Composition and Certification

The purpose of this memorandum is to inform Local Workforce Development Boards (LWDBs) of the upcoming due date to submit applications for subsequent Local Workforce Development Area (LWDA) designation and LWDB composition rosters. As required under section 106 of the Workforce Innovation and Opportunity Act (WIOA), the CareerSource Florida Board of Directors ("state board") will grant subsequent designation to a LWDA if, for the two most recent program years, the LWDA performed successfully and sustained fiscal integrity. Additionally, the state board must certify each LWDB as required under section 107, WIOA.

The authority section in the table below provides details on the requirements for each of these actions. Applications for subsequent LWDA designation and LWDB composition rosters are due on or before close of business <u>April 21, 2023</u>. Submit the completed documents as instructed below.

In February 2023, the state board approved a plan for system-wide transformation of Florida's workforce system. This plan included realignment and consolidation of Florida's current LWDAs from 24 to 21 and the authority to pursue system-wide improvements and planning regions (prescribed in sections 106(a)(2)(B) and (C), WIOA). Accordingly, during the upcoming meeting in June 2023, the state board is expected to approve the designation of the current 24 LWDAs and certify the current LWDBs for a period of one year from July 1, 2023 through June 30, 2024.

A subsequent application for LWDA redesignation and required documents for LWDB certification will be requested again next year at which point the state board is expected to consider approvals for the typical two-year cycle. This new cadence of LWDA redesignations and LWDB certifications will align with the cycle for submission of the state's WIOA four-year plan.
