#### Agenda Item 4 - Declarations of Conflicts of Interest (COI):

Jim Brann, Vice-Chair, asked if any items on the agenda had a conflict of interest. No conflicts of interest were declared.

#### Agenda Item 5 - Consent Agenda:

Jim Brann, Vice-Chair, presented the Consent Agenda and asked members if any items needed further discussion.

With no further discussion, a motion was made by Larry Leet to approve the Consent Agenda as presented. Jose Capellan seconded the motion. The motion was passed unanimously.

### Agenda Item 6 - Review and Approve Local Targeted Occupations List (LTOL) for the 3rd Quarter of PY 2023-2024:

Brian Bauer, President/CEO, explained that the Statewide Demand Occupations list identifies the labor market needs of Florida's business community and encourages job training based on those needs, with emphasis on jobs that are both high demand and high skill/high wage and is used as a baseline for establishing the Local Targeted Occupations Lists (LTOLs). The Local Workforce Development Boards (LWDBs) develop and use their LTOLs to identify occupations for which eligible adults and dislocated workers may receive training assistance under the Workforce Innovation and Opportunity Act.

Staff reviewed local labor market information and resources regarding the LTOL. There is no recommended addition of occupations to the 3rd Quarter of PY 2023-2024 list. Staff recommend approval of this LTOL for the 3rd Quarter of PY 2023-2024.

A motion was made by Werner Bols to approve the Local Targeted Occupations List for the  $3_{rd}$  Quarter of PY 23-24, as presented. Larry Leet seconded the motion. The motion passed unanimously.

#### Agenda Item 7 - Review and Approve Executive Staff Holiday Bonuses:

Brian Bauer, President/CEO, stated that per the DEO (FLORIDACOMMERCE) Grantee/Sub-Grantee Agreement, no changes to compensation for the board's executive staff are allowed without documented Board approval and must align with local policies and procedures.

Therefore, the Executive Committee recommends the Board to approve Executive Staff Holiday Bonuses equivalent to one week's pay, less payroll taxes and deductions for Brian Bauer, Tracey McMorris, and Lisa Delligatti.

In addition, Mr. Bauer noted that all CareerSource Research Coast (CSRC) staff will receive holiday bonuses this year, equivalent to one week's pay, minus payroll taxes and deductions.

A motion was made by Bill Solomon to approve the Executive Staff Holiday Bonuses, as presented. William Armstead seconded the motion. The motion passed unanimously.

#### Agenda Item 8 - Chair's Report:

Jim Brann, Vice-Chair, on behalf of himself and Leslie Kristoff, Chair, wish the board a wonderful holiday and new year.

#### Agenda Item 9 - President's Report:

Brian Bauer, President/CEO, discussed the following information with board members:

Financial and Programmatic Monitoring as of November 3, 2023 - Taylor, Hall, Miller, and Parker, PA:

Brian Bauer, President/CEO, presented the Taylor, Hall, Miller, and Parker (THMP) Monitoring Report dated November 3, 2023. CSRC monitors all administration and program operations to ensure maximum effectiveness, efficiency, and compliance of all management, programmatic, and fiscal systems. Per State requirements, CSRC conducts internal monitoring on a scheduled basis. Mr. Bauer stated that the monitoring done by Taylor, Hall, Miller, and Parker was very favorable.

LWDB 20 Primary Indicators of Performance for Program Year (PY) 2022-2023 1st Quarter: Brian Bauer, President/CEO, presented CSRC Primary Indicators of Performance for PY 2023-2024 1st Quarter. Mr. Bauer explained that the areas highlighted in blue below reflect those performance goals exceeded (greater than 100% of negotiated). Likewise, goals highlighted in green show that performance goals were met (90-100% of negotiated), and those reflected in yellow still need to be met (less than 90% of negotiated) by CSRC.

Overall, the numbers in WIOA Adult and Wagner-Peyser programs reflect that performance goals have been either exceeded or met. WIOA Dislocated Worker and Youth programs show that we did not meet the performance goals for the 1st quarter under the Employed 4th Quarter After Exit category. Tracey McMorris stated that we would be meeting with Youth staff to explore strategies to increase performance.

#### Letter Grade Update - Change in Methodology - PY 2023-2024:

Brian Bauer. President/CEO explained that the Reimagining Education and Career Help (REACH) Act calls for the assignment of local workforce development board letter grades to improve accountability in the workforce system. The law charges the Governor's REACH Office with developing criteria for determining letter grades and the CareerSource Florida Board of Directors with assigning and publicly releasing the letter grades annually.

CareerSource Florida offered updates on the most recent data regarding the LWDBs quarter-four performance for PY 2022-2023. The CareerSource Florida website is updated quarterly as the data becomes available. LWDB 20 achieved a letter grade of A- (90.58%). The data that made up the letter grades were analyzed by FloridaCommerce, the REACH office, and CareerSource Florida for continuous improvement. In an effort to continue to improve the state's workforce system, the following updates are being implemented to the letter grades methodology for program year 2023-2024:

Adjustments to two metric targets are as follows:

- Participants with Increased Earnings: Target (PY22-23) 45% to (PY23-24) 50%
- Reduction in Public Assistance: Target (PY22-23) 35% to (PY23-24) 50%

Adjustments to the Extra Credit points scale are as follows:

 Extra Credit Points: Expanded to include WIOA Title II - Adult Education participants and WIOA Title IV - Vocational Rehabilitation, Division of Blind Services participants.

Regional Planning Area Update - Collaboration with CareerSource Palm Beach/Letter of Intent:

Brian Bauer, President/CEO, updated the committee on the CareerSource Florida Regional Planning Area Strategic Policy that operationalizes one of the three pillars of the Florida Workforce System Transformation Plan in accordance with the REACH Act. This Strategic Policy defines the goals and requirements for Florida's Regional Planning Areas to promote workforce system alignment with education and economic development and optimize regional growth opportunities.

A Letter of Intent was provided to CareerSource Florida (CSFL) by CareerSource Research Coast (CSRC) and CareerSource Palm Beach (CSPB). The letter was presented to the CSFL Board of Directors at their meeting on December 12, 2023. The letter outlines the intent of CSRC and CSPB to form a regional planning area.

#### Education and Industry Consortium Update:

Brian Bauer, President/CEO, gave a brief overview of the Education and Industry Consortium membership requirements.

#### Agenda Item 2 - LWDB 20 Primary Indicators of Performance - 1st Quarter PY 2023-2024:

Christina Coble, Business Services Manager, reviewed WIOA Youth Indicators of Performance for the 1st quarter of PY 2023-2024. Ms. Coble noted that WIOA Youth did meet or exceed all the performance goals for the 1st quarter except the Employed 4th Quarter After Exit category, which was not met.

Ms. Coble stated that in 2021, Career Planners had closed case files where clients were either non-compliant or could not be located. As a result, the closure of these cases with no verified employment is reflected in the metrics under the Employed 4th Quarter After Exit categories.

Ms. Coble explained that a strategic approach to adjust the delivery service model had been developed to manage this metric in the future. Staff are confident that WIOA Youth's performance in this area will improve and appear to be on track to meet performance metrics for the next quarter.

### Agenda Item 3 - Review WIOA Youth Connections Performance Report PY 2023-2024 2<sup>nd</sup> Quarter:

Angie Strickland, Program Manager, presented the WIOA Youth Connections Performance Report for the 2<sup>nd</sup> quarter of PY 2023-2024.

Ms. Strickland shared the following performance measures for PY 2023-2024:

#### **Enrollments:**

- Out of School Youth (OSY) Enrollments On Track Goal 53 Participants - YTD 29 OSY Enrolled
- In-School Youth (ISY) Enrollments Needs Improvement Goal 17 Participants - YTD 3 ISY Enrolled
- Total Number of Enrollments On Track Goal 70 - YTD 32 Participants Enrolled
- % ISY Enrollments On Track
   Goal 25% YTD 9.40% ISY Enrollments

#### Work Experience:

Internship Placements - Needs Improvement Goal 60 - YTD 19 Internship Placement

- Successful Internship Completions Needs Improvement Goal 51 - YTD 16 Successful Internship Completions
- Internship Completion Percentage On Track
   Goal 85% YTD 84.20% Internship Completion Percentage
   W/Ex Expenditures Needs Improvement
   Goal \$222,735.00 YTD \$84,947.61

Ms. Strickland explained that the categories of In-School Youth (ISY) Enrollments, % of ISY Enrollments, and Internship Placements still need improvements to meet the YTD performance measures.

To increase enrollments for ISY, Ms. Strickland stated that the staff was doing extensive outreach, connecting with educational partners and stakeholders in an effort to expand awareness of our services. By increasing ISY enrollments, the other categories will benefit as well. As a result, Ms. Strickland is very optimistic about successfully meeting the performance benchmarks for PY 2023- 2024.

Christina Coble, Business Services Manager, noted that the Department of Commerce (FLORIDACOMMERCE) had not published the applicable benchmark status data for the bottom two categories of the performance report as of January 16, 2024. Therefore, that data could not be provided to the Youth Council at this time.

#### Agenda Item 4 - YouthBuild Program Update:

Shelly Batton, Director of Programs, stated that under the YouthBuild Funding Opportunity Announcement, the Department of Labor (DOL) will award YouthBuild grants through a competitive process to organizations providing pre-apprenticeship services that support education, occupational skills training, and employment services to opportunity youth, ages 16 to 24, who are performing meaningful work and service to their communities.

Applications for this funding opened on November 15, 2023. CareerSource Research Coast (CRSC) and Eckerd staff explored the application requirements for this grant opportunity. After much discussion, it was determined that CSRC would not be applying at this time. However, CSRC will be preparing for the next grant cycle as there are additional steps CSRC needs to accomplish before applying for this grant.

Kimberly Grey, Eckerd Youth Connections Operations Director, having applied for and worked with YouthBuild in the past, shared her experience and insights into the preparation process that will meet the grant's requirements.

Ms. Grey stated that, for example, CSRC needs to have preset commitments from stakeholders regarding building in low-income areas and matched funding. This includes commitments for land, community service, and employment opportunities.

This process will be an ongoing work in progress, and staff members will keep the council updated.

#### Agenda Item 5 - Youth Success Story Video

Angie Strickland, Program Manager, presented a video highlighting Kimberly Orr-Monto, Owner of Hair Envy. Ms. Orr-Monto stated that the partnership with Eckerd and CareerSource Research Coast has benefited her and the youth who have taken advantage of the opportunities presented to them. These opportunities provided internships, mentorships, and employment to those participating in the program.

#### **Information Updates from Council Members:**

Lana Barros, Director of Innovation & Choice Martin County School District, shared that there will be a Career Fair at the District office located at 1939 SE Federal Highway, Stuart, on February 8, 2024

Aliesha Seitz, Director of Career and Technical Education, St. Lucie County Public Schools, announced that there will be a Career Fair sponsored by the SLC School Board & EDC on February 27, 2024, at the MidFlorida Event Center, Port St. Lucie.

LWDB20 requests the approval of an additional \$101,412.80 in WIOA DW 2022 funding to be utilized for WIOA Adult 2023 expenditures, for a total transfer of \$889,412.80. Based on the historical data for Dislocated Workers in our LWDA, this transfer will allow service to additional WIOA Adult participants.

Findings - 5 Other Non-Compliance Issues (ONIs) - 6

Mr. Bauer explained that CareersSource Research Coast has requested technical assistance from the state for 2 of these findings. Overall, Mr. Bauer stated that the monitoring was very favorable.

#### Agenda Item 9 - Ad Hoc Search Committee for New Board Membership:

Brian Bauer, President/CEO, explained that the Governor, in partnership with CareerSource Florida (CSFL) Board of Directors, establishes criteria for use by the Chief Local Elected Officials (CLEO) for appointment of members to the LWDB's in accordance with WIOA sec. 107(b)(2).

As a result, Mr. Bauer shared the need to establish an Ad Hoc Search Committee to replace current vacancies as outlined in the By-Laws. In addition, Mr. Bauer asked the committee to put forth any recommendations for board appointment.

As Vice Chair, Jim Brann agreed to act as the new board member liaison for the board member search committee.

#### Agenda Item 10 - Other Business:

Regional Planning Area Designation Request: Brian Bauer, President/CEO, updated the committee on the CareerSource Florida Regional Planning Area Strategic Policy that operationalizes one of the three pillars of the Florida Workforce System Transformation Plan in accordance with the REACH Act. This Strategic Policy defines the goals and requirements for Florida's Regional Planning Areas to promote workforce system alignment with education and economic development and optimize regional growth opportunities.

As per CareerSource Florida Strategic Policy 2023.09.19.A.1, the request to be identified as a regional planning area (planning region) requires that the local workforce development boards have relevant relationships as evidenced by labor markets, economic development areas, education and training resources, population centers, commuting patterns, industrial composition, location quotients, labor force conditions, and geographic boundaries.

Mr. Bauer explained that if the request for designation is approved, the local workforce development boards within the regional planning area will be required to engage in a regional planning process that will produce a Regional Plan to be added as an addendum to each local workforce development board plan per FloridaCommerce Regional Planning Instructions.

CareerSource Florida Board and Council Meetings: Mr. Bauer stated that he would be attending the CareerSource Florida Board and Council meetings in Tallahassee on February 25-28, 2024.

National Association of Workforce Boards (NAWB) Forum: Mr. Bauer said he along with board members, Jim Brann and Will Armstead, will be attending the National Board of Workforce Board Forum in Washington, D.C., March 23-26, 2024.

CareerSource Florida Updates - Brian Bauer, President/CEO, explained that due to Senate Bill 240, local workforce boards were tasked with creating an Education and Industry Consortium. As a result of discussions with the board and executive committee, it was decided to incorporate the newly formed Education and Industry Consortium into the existing Workforce Readiness Taskforce.

Mr. Bauer stated that the work that the Workforce Readiness Taskforce has been doing over the last five years aligns with what the state requires of the Education and Industry Consortiums. As a result, the board determined it was a perfect opportunity to refocus the Workforce Readiness Taskforce while meeting the Education and Industry Consortium requirements set forth by Senate Bill 240 and the state.

One of the changes required under the new statute is that consortium members must be appointed to the committee. Individuals who have not been appointed are still welcome to attend and participate in the discussions in the meetings.

The appointed members of the consortium will serve two-year terms (January-December). Members will represent the following sectors: healthcare & social assistance, manufacturing, transportation & warehousing, construction/skilled trades, and administrative/support services, waste management, and remediation services.

Additional requirements are that a chairperson is appointed, the task force meets at least quarterly, and that a report of meetings is presented to the Board of Directors each quarter and posted on the CareerSource Research Coast (CSRC) website.

Mr. Bauer expressed the need for the task force to be the driver of information and ideas to educate CareerSource Research Coast, thus ensuring we do all we can to provide the services needed for businesses, job seekers, stakeholders, and community partners.

#### Agenda 11 - Adjournment:

With no further items to discuss, a motion was made by Leslie Kristof, Chair, to adjourn the meeting, seconded by Maddie Williams. The motion passed unanimously, and the meeting was adjourned at 8:57 a.m.

### Prior Approval Transfer Request Form - WIOA Adult and Dislocated Worker (DW) Programs From July 1, 2023 through June 30,2024

LWDB Number and Name (Requestor): SWDB20 CareerSource Research Coast

Name / Title of Requestor Representative: Brian Bauer, President/CEO

Adult and Dis	Adult and Dislocated Worker Transfer Request														
Program Year	Program	Total Award Amount	Amount of Adult Requested to be Spent on DW	Percentage of Adult Requested to be Spent on DW	Amount of DW Requested to be Spent on Adult	Percentage of DW Requested to be Spent on Adult									
2022	DW	1,042,420.00	0.00	0	889,412.80	85%									

#### COMPLETE THE BELOW SECTIONS FOR REQUESTS THAT EXCEED 25% OF THE PROGRAM'S ANNUAL ALLOCATION

#### Reason for requesting the use of one program's funding for the other (e.g. anticipated depletion of current funds, changes in labor market conditions, etc.):

LWDB 20 anticipates to fully expend the WIOA Adult - 2023 funding prior to June 2024. The previous Prior Approval Tranfer Request completed was approved for \$788,000.

LWDB20 requests the approval of an additional \$101,412.80 in WIOA DW 2022 funding to be utilized for WIOA Adult 2023 expenditures, for a total transfer of \$889,412.80. Based on the historical data for Dislocated Workers in our LWDA, this transfer will allow service to additional WIOA Adult participants.

#### A description of outreach/marketing activities conducted to ensure underserved populations were aware of available services:

Website, social media such as Facebook, Instagram, Linkedin and Radio advertising, job fairs, flyers and print advertising. In addition, we perform outreach through our community partners and training providers.

#### Labor market conditions contributing to the need for the transfer:

Current labor market conditions have led to an increase in Dislocated worker partipation, however there is still a greater need for WIOA Adult participant funding for training and operating expenditures.

### The number of participants originally planned to be served by the base allocation compared to the estimated number of participants expected to be served after funds are transferred.

LWDB20 DW - 2022 funding would allow for an estimated 94 DW participants to be served in PY23-24, based on the prior program year cost per DW participant. However, given the historical number of DW participants served, this transfer request would allow for an estimated additional 223 WIOA Adult participants to receive career/basic services, training and individualized services for PY23-24 while continuing to serve an additional 9 DW participants, which is a 64% increase from PY22-23.

#### COMPLETE THE BELOW CERTIFICATION FOR REQUESTS THAT EXCEED 25% OF THE PROGRAM'S ANNUAL ALLOCATION

I certify the following:

- 1. When transferring from Adult to Dislocated Worker The LWDB has sufficient funds to serve the WIOA Adult priority populations.
- 2. When transferring from Dislocated Worker to Adult The LWDB has sufficient Dislocated Worker funds to serve dislocated workers in the local area; there are no pending layoffs that may impact the need for dislocated workers in the local area.
- 3. The full board voted to approve this request to transfer funds and a copy of the LWDB's meeting minutes are included with this request.

3. The fail board voted to approve this request to transfer failus and a copy of the Evolution in indices are included with this request.		
I certifiy the above information is true and correct.

Partners were reminded of their responsibilities as Partners in the One-Stop System and discussion followed regarding the required Quarterly Time Sheets, Sign In Sheets, Referrals utilizing the Crosswalk system and utilization of the Customer Satisfaction Survey. Questions, answers and comments were addressed.

Recent monitoring of their practices was completed by their contracted Monitoring firm the week of October 30<sup>th</sup> 2023. As the Comprehensive One-Stop Career Center Operator, WCC is responsible for monitoring the Comprehensive One-Stop Career Center System. WCC has created a monitoring/compliance tool and met with CSRC Administration for review and approval of the tool.

### 6. Recommendations

The following recommendations were made during WCC's individual meetings with each partner and at the One-Stop Partner's Quarterly Meeting:

- 1. Inviting other local organizations that provide services to present at the Partner's Quarterly Meetings
- 2. Creating a Display Board in the Resource Room at the Comprehensive One-Stop Career Center. This Board would be designed to inform clients entering the Center of the Partners that were available that particular day and their schedule for the week. Partners would indicate on the Board whether they were "in or out" on a particular day.
- 3. Holding the Quarterly Partner Meetings at the other Partner's Locations when possible. This would allow the partners to better understand each other's services and practices.
