INFRASTRUCTURE FUNDING AGREEMENT COMPREHENSIVE ONE-STOP CAREER CENTER LOCAL WORKFORCE DEVELOPMENT AREA (LWDA) 20

PARTIES Ι.

This Infrastructure Funding Agreement (IFA) is made pursuant to the Workforce Innovation and Opportunity Act 2014 (WIOA) and is entered into by CareerSource Research Coast (CSRC) and the Required Partners.

Π. PURPOSE

The Workforce Innovation and Opportunity Act of 2014 is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its one-stop customer service delivery system. The one-stop system assures coordination between the activities authorized in and linked to the Act.

The purpose of this IFA is to describe the infrastructure cost responsibilities of the Partners to provide for the maintenance of an effective and successful Comprehensive One-Stop Career Center. This agreement is intended to coordinate resources, prevent duplication, and ensure the effective and efficient delivery of workforce services in the Local Workforce Development Area 20, comprised of Martin, St. Lucie, and Indian River counties.

The Partners to this document agree to coordinate and perform the responsibilities described herein within the scope of legislative requirements governing the partners' respective programs, services, and agencies.

VI. COST RECONCILIATION AND ALLOCATION BASE UPDATE

Partners agree that a quarterly schedule of Comprehensive One-Stop actual costs will be prepared, and the allocation bases will be completed per the following process:

- 1. Partners will provide CSRC with the following information no later than five (5) days after the end of each quarter:
 - Staffing information: Number of personnel and their hours served at the Comprehensive One-Stop Career Center each month during the quarter
 - Actual customer participation numbers for each month during the quarter
- 2. Upon receipt of the above information, CSRC will:
 - Prepare a schedule of the actual Comprehensive One-Stop costs to be allocated.
 - Update the allocation bases as applicable based on actual time dedicated by each One-Stop Partner.
 - Apply the updated allocation bases as described in the Cost Allocation Methodology Section above to determine the actual costs allocable to each Partner
- 3. CSRC will prepare an updated schedule of quarterly One-Stop costs showing cost allocations and adjustments and prepare an invoice for each Partner with the actual costs allocable to each Partner for the quarterly period.
- 4. CSRC will submit the invoices to the Partners and send a copy of the updated One-Stop Costs allocated to all Parties no later than thirty (30) days after the end of the quarter upon request. The Partners understand that the timeliness of CSRC's preparation and submission of invoices and adjusted budget is contingent upon the timeliness of each Partner in providing the necessary cost information.

- Partners who elect to provide an in-kind contribution in lieu of payment understand that should the Partner's required infrastructure costs contribution exceed the value of the agency's in-kind contribution, CSRC will send an invoice for the difference.
- 6. Partners will submit payment to CSRC no later than ten (10) days following the receipt of the invoice. Payment of the invoice signifies agreement with the costs allocated. Partners will communicate any disputes with the invoice to CSRC in writing. CSRC will review the disputed cost items and respond accordingly to the Partner within ten (10) days of receipt of notice of the disputed costs. When necessary, CSRC will revise the invoice and t upon resolution of the dispute.

VII. STEPS UTILIZED TO REACH CONSENSUS

The Partners and CSRC conferred regarding the involvement of each Partner at the Comprehensive One-Stop Career Center. The appropriate allocation bases were discussed, and those bases were included in this IFA were agreed upon as the most appropriate. CSRC proposed the initial Partner Contribution Amounts as described above. The Partners concurred with their proposal and agreed to the term included in the Cost Reconciliation and Allocation Base update section above.

VIII. DISPUTE AND IMPASSE RESOLUTION

Partners will actively participate in local IFA negotiations in a good faith effort to reach an agreement. Any disputes shall first be attempted to be resolved informally. Should informal resolution efforts fail, then the following Dispute Resolution process must be followed:

- 1. Should informal resolution efforts fail, the dispute resolution process must be formally initiated by the petitioner seeking resolution. The petitioner must send a formal notification to CSRC Chairperson or designee and all Partners to the MOU regarding the conflict within ten (10) business days.
- 2. The CSRC Chairperson (or designee) shall place the dispute on the CSRC Executive Committee's monthly meeting agenda. The Executive Committee shall attempt to mediate and resolve the dispute by a 2/3 majority consent of the Executive Committee members present.
- 3. The Executive Committee's decision shall be final and binding unless such a decision contradicts applicable State and Federal laws or regulations governing the Partner agencies.
- 4. The Executive Committee must provide a written response and date summary of the proposed resolution to all Partners to the MOU/IFA.
- 5. The CSRC Chairperson (or designee) will contact the petitioner and the appropriate partners to verify that all agree with the proposed resolution.

If Partners in the local area have employed the dispute resolution process and have failed to reach consensus on an issue pertaining to the IFA, then an impasse is declared and the State Funding Mechanism (SFM) is triggered and the IFA will be appealed through the process established by the Governor for this purpose.

IX. MODIFICATION PROCESS

This IFA may be amended or modified with the review and consent of all parties. Amendments and modifications must be issued in writing to all parties. All parties must be given a minimum of thirty (30) days to comment before the inclusion of any amendment or modification. Oral amendments or modifications shall have no effect.

X. EFFECTIVE PERIOD

This Infrastructure Funding Agreement commences on <u>July 1, 2024</u>, as required by Workforce Innovation and Opportunity Act legislation, and expires <u>June 30, 2027</u>.

Risk Assessment Summary Memo for Famosa, Inc., dba Manpower RFP# 22-002-EOR

CareerSource Research Coast (CSRC) awarded Famosa Inc, d/b/a Manpower (Manpower), the above noted RFP for the period July 1, 2022, to June 30, 2027. Currently CSRC is entered in a vendor contract with Manpower started on 7/1/2023 and ending on 6/30/2024. Under 200.331 this award has clearly been identified to a vendor.

CareerSource Research Coast staff review the monthly invoices received from Manpower for financial accuracy and compliance.

An external independent monitoring firm performs review of additional aspects of the documentation to determine compliance with all requirements. Current procedures require that any errors or deficiencies are addressed, documented, and reviewed for correction.

In addition, we have received and reviewed the Audited Financial Statements for Famosa Inc., dba Manpower as of December 31, 2021, 2022 and 2023. It was noted that Manpower appears financially sufficient to provide contract reimbursable services. Manpower has proven over the years to understand the actions, procedures and requirements that need to occur to make our organization and programs successful. Full satisfaction was met during this program year, July 1, 2023, through the date of this memorandum, May 8, 2024. The Manpower staffing management team respond on all issues of concern and requests submitted for special reporting.

Based on their performance over the past year, staff recommends renewal of the Manpower EOR contract for the period of July 1, 2024, through June 30, 2025. The EOR contract is for 3 more years, renewable annually.

RE: Workforce Board of the Treasure Coast d/b/a CareerSource Research Coast

Dear Mr. Bauer:

Thank you for continuing to retain Ward, Damon, Posner, Pheterson & Bleau (the "Firm" or "Ward Damon") as your legal counsel for the upcoming program year, July 1, 2024 through June 30, 2025. This letter will confirm the terms of the Firm's representation during that Program Year. In addition, this letter will explain our fees and billing procedures, as well as what you, Workforce Board of the Treasure Coast d/b/a CareerSource Research Coast. (the "Client" or "CareerSource"), can expect from us and what we expect from the Client.

The Firm will represent the Client on an hourly rate basis. Discrete matters or special projects that the Client wishes the Firm to handle may be the subject of a separate agreement. Please know that the Firm is not advising the Client under this agreement on the tax consequences of the real or potential outcome of any litigation, corporate tax issues, or regulatory and compliance issues.

During this upcoming Program Year, we have agreed to offer CareerSource a special rate, time spent by Bari L. Goldstein is currently charged at \$325.00 per hour and time spent by other Firm attorneys will range from \$220.00 to \$325.00. Time spent by any law clerk or para-professional is currently charged at \$140.00 per hour. Our hourly rates are subject to change from time to time during our representation in this matter and insurance matters may be billed at a different rate, agreed upon by your carrier.

We bill fees and other services on a monthly basis and payment is due upon the Client's receipt of the invoice.

REASONABLENESS OF FEE

If at any time you believe the Firm's interim periodic hourly bills are not fair and reasonable, you agree that you will notify the Firm within thirty (30) days of the date of the questioned invoice, and together, you and the Firm will review the invoice. If no notice is received, it is understood that the invoice is accepted by you as correct and accurate, and as setting forth fair and reasonable charges for services rendered.

If at any time the Client wants to terminate our services, please notify the undersigned in writing. Likewise, if at any time we find that we are unable to continue representing the Client, we will notify you in writing. We may terminate our representation if the Client fails to comply with the terms of this fee agreement, or as allowed by the terms of the Florida Rules of Professional Conduct, and the Client agrees not to contest our withdrawal from any court or administrative proceeding in such event. As soon as possible after any such termination, a final statement will be prepared and sent to the Client. Should the Firm's representation be terminated for any reason, the Client agrees to promptly pay, within the following thirty (30) days, for all attorneys' fees and costs incurred through the date of such termination. The prevailing party in any proceedings shall be entitled to recover its costs of enforcement including, without limitation, reasonable attorneys' fees and court costs required to collect any balance due, in court or in the Agreed Dispute Resolution Process.

We will perform the legal services which we have agreed to undertake on the Client's behalf in a professional manner and we will keep you informed of all material developments in a reasonable and timely manner. To enable us to do this, the Client agrees to disclose such facts as are requested and which are reasonably necessary for us to perform the services for which they have retained us. Although we may give the Client our professional judgment regarding a matter, as to the likelihood of a favorable outcome on a particular case, the amount of a potential recovery, what a clause in a document says, or whether a particular contract or negotiation will result in the desired outcome, we are never able to guarantee any of these. We will, however, endeavor to give the Client our best judgment in light of the law and the particular facts made known to us.

After you have had the opportunity to review this proposed fee agreement, please feel free to call me with any comments or questions you may have. If the agreement meets with your approval, please sign where indicated below to evidence your agreement with the matters set forth herein and return same to my assistant Rebecca Gianoutsos via email.

Finally, attached hereto is the Firm's e-mail policy for your review. By signing this retainer agreement, you agree to the terms of Ward Damon's e-mail policy and procedures.

We look forward to working with you on this matter.

Very truly yours,

Bari L. Goldstein For the Firm

I/We hereby accept the legal representation by Ward Damon as described above.

WARD DAMON'S E-MAIL POLICY AND PROCEDURES

We regard e-mail as an important business tool and would like to make appropriate use of it in our dealings with our clients. However, clients will appreciate that there are certain risks associated with e-mail communications and, therefore, our use of it must be subject to certain guidelines and restrictions.

You may wish to send us a list of your home and office e-mail addresses so that these can be addressed to our outlook contacts file. We will use these addresses only as a means of sending individual messages on matters on which you have retained us. We will not, of course, make the addresses available to any outside organization without your prior agreement or as required by law.

We treat e-mails as having the same priority as items sent by regular U.S. Mail or by fax. However, please do not use e-mail as a means of sending communications with which you wish for us to deal as a matter of urgency. There may be delays from your e-mail server sending your e-mail or there may be an exceptionally high volume of incoming mail which our server is unable to deal with instantly, or e-mails can be lost or deleted before they reach our office or your e-mail may be blocked by spam software or considered to be junk mail due to factors beyond our control. Therefore, please do not assume that we have received your message until we have responded to it or specifically acknowledged it.

We may or may not place in our file a copy of any e-mail that you send to us. However, we strongly recommend that you also send us a separate hard copy by U.S. Mail wherever possible if the message is uniquely important. Please ensure that you do not send us your only copy of a document as it may not reach us safely.

Ordinary e-mail is not a very secure environment in which to send particularly sensitive messages. Internally, our staff members have been instructed to treat e-mails as confidential, just as they would any other communication from a client. We have no reason to believe that our system is not secure, and we have various security procedures to protect our system as far as possible. However, we recommend that you do not use e-mail as a means of sending us information of a highly confidential nature. You should also not send us information which could be construed as defamatory or obscene.

We have measures in place to protect our system against sending or receiving viruses, but we cannot guarantee that these will be completely effective. Please ensure that you take appropriate measures to check against viruses in all communications to or from the firm.

Finally, please ensure that your messages are addressed correctly. You can send an e-mail to the following addresses:

Action Requested	None - Information Only					
Background	WIOA requires each local workforce development board (LWDB) to develop and deliver to the state a comprehensive four-year plan.
